DELEGATION OF POWER

Delegation of Power with respect to summary suspensions

Agenda #2017-01245F

Pursuant to Section 17 of the Alcoholic Beverage Control Law, the Members of the State Liquor Authority hereby delegate to the Chairman of the Authority the power of the Members of the Authority to consider requests from the Authority's Counsel for orders of summary suspension pursuant to Subdivision 3 of Section 401 of State Administrative Procedure Act and, upon a showing that the public health, safety or welfare imperatively requires emergency action, to issue such orders.

Prior to the Chairman of the Authority exercising the aforesaid power, the Secretary to the Authority shall make a diligent effort to determine whether a quorum of the Members of the Authority can gather for a special meeting of the Full Board, and such power shall only be exercised by the Chairman of the Authority if a quorum cannot gather for a Full Board meeting within a reasonable time after a request for a meeting is submitted by the Counsel to the Authority to the Secretary to the Authority.

Any such order of summary suspension issued by the Chairman of the Authority shall, at the written request of the licensee who is the subject of such order, be reviewed by the Members of the Authority at the next regular Full Board meeting and that the Members of the Authority shall determine at such meeting whether to continue such order in effect.

This delegation of powers shall be effective immediately.

This matter was heard and determined by the Members of the Authority at a Full Board meeting held on June 8, 2017 before Chairman Vincent Bradley and Commissioner Greeley Ford. The above written delegation of power was approved by Chairman Bradley on behalf of the Members of the Authority on May 14, 2018.
