## ADVISORY #2020-10

---

To: All licensees

Subject: Temporary waiver of safekeeping requirement for license certificates

On March 16, 2020, The Authority waived the requirement that a licensee who closed because of the current public health emergency place its license certificates in safekeeping until the establishment reopens. As set forth in Advisory 2020-1, that waiver remains in effect until June 14, 2020.

That waiver is now extended until July 29, 2020. Licensees who have temporarily closed are not required to place their license certificate in safekeeping until the business reopens. This waiver is subject to further extension by the Authority.

Licensees who have permanently ceased doing business are required to surrender their license certificates.

This matter was heard and determined by the Members of the Authority at a Full Board meeting held on June 10, 2020 before Chairman Vincent Bradley and Commissioner Greeley Ford. The above written advisory was approved by Chairman Bradley on behalf of the Members of the Authority on June 15, 2020.
