ADVISORY #2020-11

To: All applicants

Subject: Conditional approvals for applicants with temporary retail permits

Advisory 2019-6 provides that an applicant operating with a temporary retail permit may not obtain an extension of time, beyond the original six months, to comply with the conditions of approval to obtain its license certificate. Notwithstanding that provision, for good cause shown a retail applicant operating with a temporary retail permit may be granted a six-month extension to satisfy the conditions of approval. No more than two such extensions shall be granted by the Licensing Board to such an applicant. The Members of the Authority, in their discretion, may issue further extensions.

This Advisory shall remain in effect until December 31, 2020 unless extended by further action of the Members of the Authority.

This matter was heard and determined by the Members of the Authority at a Full Board meeting held on June 24, 2020 before Chairman Vincent Bradley, Commissioner Lily Fan, and Commissioner Greeley Ford. The above written advisory was approved by the Members of the Authority on June 24, 2020.
