5. I am familiar with Authority Advisory 2021-_____ (the “TPP Advisory”), which clarifies that said disclosure requirement includes disclosing persons/entities with which Licensee enters into agreements or other financial arrangements with who are third party providers to Licensee’s business (“TPPs”) that are or will be compensated for the goods or services they provide through revenue sharing: compensation that is dependent, directly or indirectly, on Licensee’s sales, profits, or revenues.
