ADVISORY #2022-9

Subject: Determining four closest licensees for package store removals

The Licensing Board delegation of power requires certain package/wine store removal applications to be forwarded to the Full Board for determination if there will be a change in the four closest active package/wine stores. For purposes of determining whether there has been such a change, the Authority will compare the four closest licensed locations to the applicant's current premises at the time the removal application is filed to the four closest licensed locations to the applicant's proposed premises at the time the removal application is filed.

This matter was heard and determined by the Members of the Authority at a Full Board meeting held on August 31, 2022 before Chairman Vincent Bradley, Commissioner Lily Fan, and Commissioner Greeley Ford. The above written advisory was approved by the Members of the Authority on August 31, 2022.
